Emergency and a Stay-at-home order

The Government of Ontario announced a province-wide declaration of emergency and a stay-at-home order, effective Thursday, April 8, 2021 at 12:01 a.m. It is critically important that residents continue to stay home as much as possible and not hold social gatherings with people outside your household. All that being said, I encourage you to take some time to enjoy the outdoors with the people you live with, in our local neighbourhoods and maintaining two metres physical distance from others and adhering to public health protocols. By doing this, we can reduce our mobility, minimize transmission, protect our loved ones and our communities, safeguard health system capacity, and save lives.

There are two vaccination clinics currently running in the Town of New Tecumseth.

Those eligible can book an appointment online through the Province of Ontario's online booking system at <https://covid-19.ontario.ca/book-vaccine/> For support over the phone call the Provincial Vaccine Booking Line: 1-888-999-6488; during its hours of operation of 8 a.m. to 8 p.m., Monday-Sunday. For more information on the vaccine rollout, availability, and eligibility, you can visit the Simcoe Muskoka District Health Unit's website at www.smdhu.org.

I encourage everyone to continue to get their information from reliable sources and follow the advice of medical experts. For up-to-date information on the impacts to Town services, please visit www.newtecumseth.ca/COVID19

Please stay safe,

Rick Milne, Mayor
Town of New Tecumseth
