Please provide at least 5 business day notice prior to the closing date to schedule a meter reading. A reading of the water meter of the sold property will be taken on the date of closing. The utility account will be closed after this reading is received. Please note the final bill cannot be calculated until after this reading has been completed. There is an \$87.00 Final Reading fee that will reflect on your final bill.

If you are on a pre-authorized payment plan, the balance of your final utility bill will be deducted from your bank account on the specified due date. The amount and date of withdrawal will be shown on your final utility bill. This will be the final pre-authorized payment from your account.
