Group Fitness Summer Schedule (July 1 to September 8, 2019)

FITNESS CLASS DESCRIPTIONS:

All classes are 55 minutes in length, unless otherwise indicated. Please vacate the fitness studio promptly after class to allow for the next participants to enter.

Body Pump	Various equipment is utilized to isolate and tone all major muscle groups, including core.					
Muscle & Tone	Join this muscle conditioning class which develops body awareness to help improve technique, core strength, and overall health. A variety of equipment will be utilized.					
TRX Suspension Trainer	The workout system leverages gravity and your body weight to perform hundreds of exercises. It creates a new challenge for all fitness levels and delivers results fast.					
Bootcamp	Get fit with this full body, muscle & cardio style boot camp! HIIT training, intervals, body weight exercises, cardiovascular drills and much more!					
Cycle Fit (45 or 60 min)	Cycle your way to a healthier you. Go at your own pace or use the energy of the group to increase your endurance.					
Kangoo & Kangoo Bootcamp	Bounce Kangoo Fitness classes use "Kangoo Jumps "boots. These classes are dynamic, can be easily followed, and are suitable for all levels. This is a intense cardio workout wearing special boots that help protect your joints from higher impact exercise. The Boot rental is \$5.00 per class while supplies last. You must arrive at least 10 min early to class for boot rentals.					
Zumba/Zumba- STEP	Party to this high energy Latin dance-based class and enjoy some great music along the way!					
Pilates	Lengthen, tone, and build strength in your whole body with Pilates.					
Spin/Pilates	Spin it up, cool it down with Pilates A great class to achieve cardio, strength and stretching.					
Yoga Fusion	A combination of power, kundalini, barre and muscular structure mat work to balance the body. Inspiring music to keep you feeling empowered.					
Yoga Flow	Yoga Flow is a vinyasa style yoga class. During this series of postures, you will strengthen and tone the upper body and core abdominal muscles and develop the ability to properly coordinate body movements with correct breathing techniques.					
Hatha Yoga Flow	Flow yoga to strengthen, stretch, tone and relax. Alleviate tension from the office or relieve tightness in your body from sports. Uplifting practice that increases muscle tone, improves flexibility, concentration and allows you to feel a deep relaxation.					
Kundalini Yoga	Kundalini Yoga consists of simple yogic techniques that can be enjoyed by everyone, regardless of level. A great cardio workout.					
Yin Yoga	Yin Yoga is the practice of long held passive postures designed to target the joints, bones and connective tissue.					
Fit For Life A and B	Designed to increase flexibility, joint stability, balance, coordination, agility and mobility. There is mat work in this class. Please let your instructor know if you have difficulty transitioning from standing to floor work. "Fit for Life" is recommended for those who may have mobility/balance issues.					
Gentle Fitness	A workout designed for people with mobility issues. Most exercises are done sitting in a chair or using the chair for balance.					
Cardio Shape	A fun cardio and weight class that can be modified for all fitness levels. Learn how to use a variety of equipment to tone and shape your body.					
Circuit Training	Fitness equipment is setup into stations to create an aerobic and resistance training circuit. Designed to target strength and cardiovascular fitness.					
Completely Fit	Utilize a variety of equipment for an interval class that combines resistance training exercises with cardiovascular intervals for a complete workout.					
Step it UP!	A cardiovascular step workout with a toning component using various equipment.					
Total Body Blast	Total Body Blast will challenge you with a combination of resistance and cardiovascular exercises utilizing the benefits of Interval and Circuit Training.
