<b>Description</b>	What a wonderful way to spend a week - reflected by great activities, games, crafts, fun and friends. Join us once this summer or multiple times as we explore a different theme each week. Campers will be active both indoors and out with visits from special guests and water play time. (weather permitting). Theme details will be outlined in the weekly newsletter.	Full day camp offering children the opportunity to develop their swimming skills, learn water safety and progress through a RED CROSS SWIM Program level each day. Campers will also participate in a variety of non-water activities including crafts, indoor games, and outdoor play.	Too old for camp? THINK AGAIN! This is the first step in your leadership development. C2C will lead you to the LIT, then CIT opportunities in the coming years. C2C offers youth a stimulating environment filled with outdoor challenges, group interaction and lasting friendships. Participants are encouraged to challenge themselves daily through participation in a full range of activities including arts and crafts, leadership activities, sports and much more.		This two-week program is an introduction to leadership development. This program will consist of one week of training including basic information on program planning, communication, first aid, effective discipline for children, games, songs and policies and procedures. Upon successful completion, participants will have the opportunity to volunteer in a placement at one of our camp programs. This is an excellent program, preparing participants for possible future employment. L.I.T.'s will receive an evaluation at the end of the session as well as credit toward community service hours.	This is the next step in your leadership training. Completion of the Leader in Training Program (LIT) is preferred for this course and must be completed prior to volunteering. Participants will learn different leadership techniques, customer service skills, behaviour management and what it takes to become a camp counsellor. A mandatory training session must be attended to volunteer at camp. You will be given confirmation of your camp location during the training session. C.I.T.'s will receive an evaluation at the end of the session as well as credit toward community service hours. A commitment of a minimum of 35 hours is preferred when volunteering. Please register in the July training if you would like to volunteer during the month of July and register in the August training in you would like to volunteer during the month of August.
<b>Fees</b>	*\$142.40 (short week) to \$178.00 (1-week session)	\$377.00 (2-week session)	\$210.00 (1-week session)	\$210.00 (1-week session)	*\$180 (short week) to \$225.00 (2-week session)	\$60.00 (1-day training)
