New Tecumseth
Alliston · Beeton · Tottenham

Contact Tracing Information Collection

The Permit Holder and/or their Designate is responsible for screening and contact tracing for all individuals associated with their rental including all attendees, spectators, guardians etc. Contact information must be dated and securely retained for reference, for 30 days from each facility booking permit date. A copy of this information is to be submitted to the designated onsite Town of New Tecumseth staff upon entry to facility (15 minutes prior to booking time) where it will also be retained by the Town for 30 days from the date of the permitted rental.
