

HAND DELIVERED

April 20, 2026

NOTICE TO RESIDENT

PRIDHAM PLACE TRAFFIC CALMING PROJECT

Please be advised that the proposed Pridham Place Traffic Calming Project, which includes the installation of temporary flexible bollards on Pridham Place, has been approved for installation. Two (2) center flexible bollards will be installed on Pridham Place. It is anticipated that the installation works will be completed by the Town's contractor between April 27th – May 8th, 2026. Works may continue during the week after if needed due to unfavourable weather. Please refer to the map in Attachment #1 for the locations of the temporary flexible bollards.

It is anticipated that the temporary flexible bollards will be removed from Pridham Place by November 2, 2026.

In the event the resident is not the property owner, we would request that this notice also be forwarded to the property owner.

If you have any questions or concerns, please do not hesitate to contact the undersigned.

Regards,

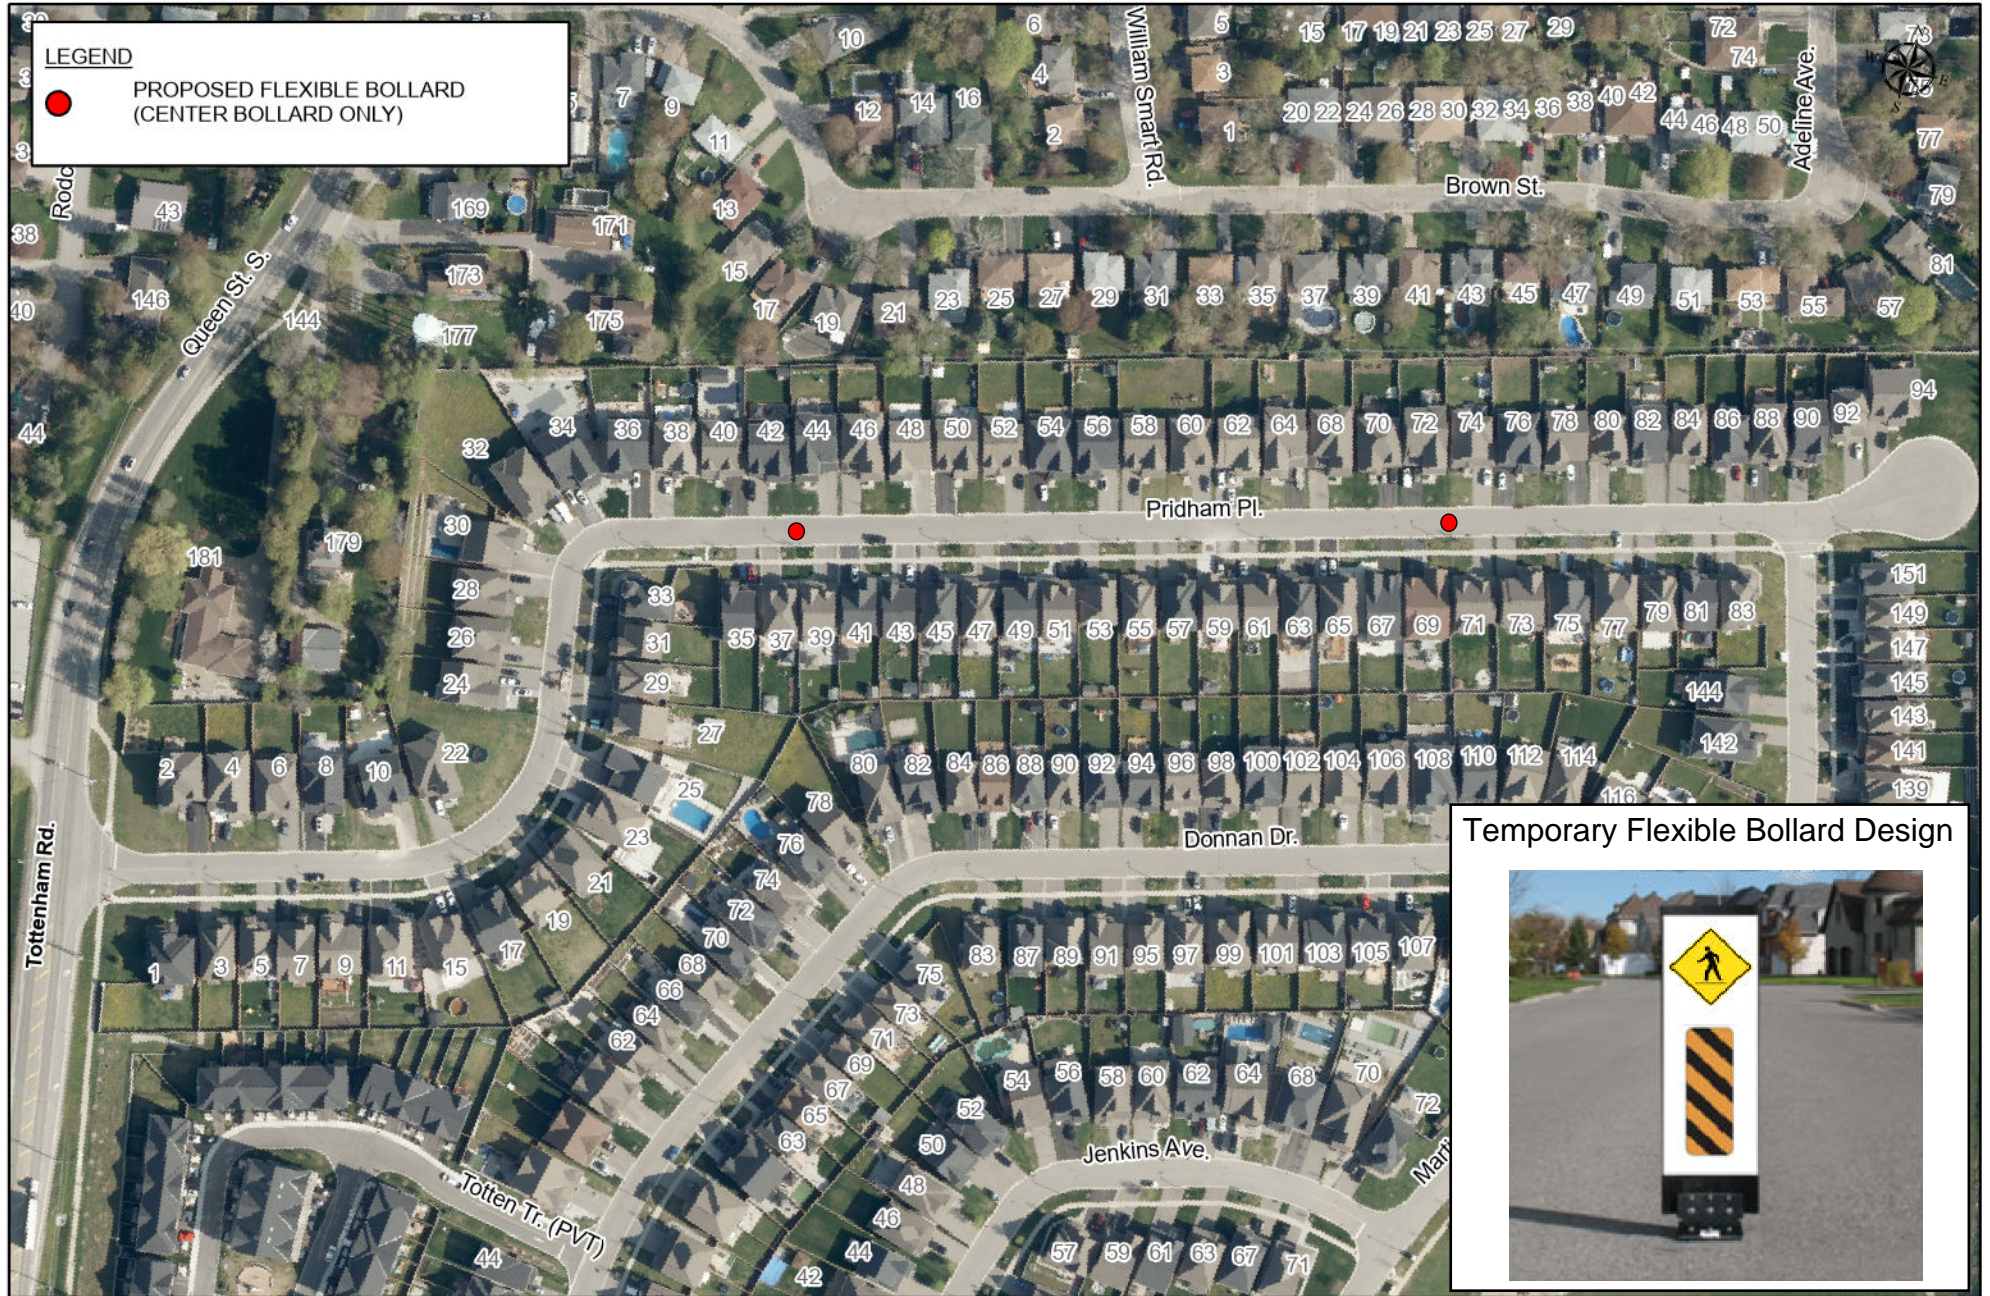

Jamie Shaw
Engineering Coordinator, Traffic & Transportation
T: (705) 415-4881
E: jshaw@newtecumseth.ca

Electronic copies of all project updates can be found on the Town's website at https://www.newtecumseth.ca/en/business-and-development/annual_traffic_calming_program.aspx or by scanning the following QR code:
