T26-02 Lionel Stone Ave. E. Reconstruction

April 30, 2026

NOTICE OF TEMPORARY WATER SHUT OFF

Please be advised that the Town of New Tecumseth, in co-ordination with Mar-King Construction, will be replacing a section of watermain on Lionel Stone Avenue East between Queen Street South and William Smart Road in Tottenham

As a result, it will be necessary to shut off the municipal water system in the vicinity on May 4, 2026 from approximately **9:00 a.m. to 5:00 p.m.**, weather permitting. A rain date has been scheduled for **May 5, 2026 as required.**

During this time, **you will not have access to your water service.** We suggest storing water in potable containers for your own use, prior to the watermain shut down beginning.

When the water services resume, you may experience a slight discoloration in the water for a short period of time. It is recommended cold water taps are checked and let run until water is run clear (usually 5-10 minutes). If discoloration persists for longer, please contact the Public Works Department at the number below.

Your co-operation and patience during this period is greatly appreciated and we regret any inconvenience you may experience, as a result of this process.

Should you have any questions or concerns, please do not hesitate to contact the undersigned or alternatively:

PUBLIC WORKS: (705) 435-3900 Option #4
Monday – Friday 8:30 a.m. – 4:30 p.m.

AFTER HOURS: 1 (877) 274-0031
24-Hour Emergency Number
