

10th Sideroad and 6th Line Intersection Improvements Municipal Class Environmental Assessment Notice of Completion

BACKGROUND

The Town of New Tecumseth has completed a Schedule 'B' Municipal Class Environmental Assessment (Class EA) to facilitate improvements to the intersection of 10th Sideroad and 6th Line. A Public Information Centre was held on October 8, 2019 to present several alternative solutions and to solicit input from stakeholders. As a result of comments received, Alternative D – Signalization has been selected as the Preferred Solution. This alternative proposes to mitigate the limited sight lines by providing protection for traffic turning movements.

PROJECT FILE REPORT

In accordance with the Schedule 'B' Municipal Class EA process, a Project File Report (PFR) has been prepared to document the Class EA process completed for this undertaking and by this Notice is being placed in the public record for a 30 day public review and comment period. A digital copy of the PFR will be available on the Town of New Tecumseth's website at www.newtecumseth.ca on January 30, 2020. A hard copy of the document will also be available for review during regular business hours at the following location:

Town Administration Centre
10 Wellington Street E
Alliston, ON, L9R 1A0

If you have any outstanding concerns regarding this project, please contact Mr. Rob Greenwood of the Town of New Tecumseth by **February 28, 2020**. If concerns regarding this project cannot be resolved with the municipality, a person or party may request that the Minister of Environment make an order for the project to comply with Part II of the *Environmental Assessment Act* (referred to as a Part II Order), which addresses individual environmental assessments. To submit a Part II Order request, please complete the Ministry of the Environment, Conservation and Parks (MECP) *Part II Order Request Form* available on the Town of New Tecumseth's website at www.newtecumseth.ca. The form must be submitted by **February 28, 2020** to the Minister of Environment, Conservation and Parks and a duplicate copy of the request must also be forwarded to the Director, Environmental Assessment and Permissions Branch and Mr. Rob Greenwood of the Town of New Tecumseth at the addresses shown below:

If no Part II Order requests are received by 4:00p.m. **February 28, 2020** the Town of New Tecumseth intends to proceed with preliminary and detailed design in 2021 and construction in 2022, subject to funding and the receipt of necessary approvals. Please note that ALL personal information included in a Part II Order submission - such as name, address, telephone number and property location - is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the Freedom of Information and Protection of Privacy Act. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Ministry's Freedom of Information and Privacy Coordinator at 416-327-1600.
