

## **NOTICE OF PUBLIC OPEN HOUSE #1**

### **MULTI MODAL ACTIVE TRANSPORTATION MASTER PLAN STUDY**

The Town of New Tecumseth has initiated a Transportation Master Plan (TMP) Study, a long-term strategy to develop a multi-modal transportation system that is safe, efficient, economical, convenient and comfortable for all users. The TMP builds upon the Town's Official Plan Update, Simcoe County TMP Update, County of Simcoe Official Plan, and Provincial plans and policies.

This study follows Approach #1 of the Master Plan process as prescribed in the Municipal Class Environmental Assessment (Class EA) document for municipal road projects. The Master Plan process addresses Phases 1 and 2 of the Municipal Class EA Process:

- Phase 1 will identify a Problem and Opportunity Statement
- Phase 2 will identify and assess Alternative Solutions to address the Problem and Opportunity

### **PUBLIC OPEN HOUSE #1**

*We want to hear from you* on the issues and opportunities that you see for the Town's Transportation System to the horizon year of 2041. The first Public Open House (POH) will be a drop-in interactive open house to seek your input.

**Date:** Thursday, October 3, 2019  
**Time:** 5:30 – 7:30 PM  
**Location:** Council Chambers, Town of New Tecumseth  
10 Wellington Street East, Alliston

Everyone is invited to participate and provide input at any time throughout the course of the study. In addition, a short public opinion survey has been set up on the study website at: <https://www.newtecumseth.ca/en/town-hall/transportation-master-plan.aspx>. If you require additional information or would like to be placed on the project contact list, please feel free to contact one of the individuals below:
