Emergency Preparedness Week

IN THE TOWN OF NEW TECUMSETH

Whereas; natural disasters may be beyond our control, but there are ways to reduce the risk and the impact of whatever emergency we might face – whether natural or human-induced.

And, whereas; this year's theme of Emergency Preparedness Week is "Are you Ready?" All Canadians are encouraged to be prepared to cope on their own for at least the first 72 hours of an emergency while rescue workers help those in urgent need. Whereas; all residents are encouraged to ensure they have taken the necessary steps and precautions to be personally prepared in the event of an emergency.

**IN WITNESS WHEREOF, I have hereunto set my hand and
caused the seal of the Corporation to be affixed this
15th day of April 2019.**

Mayor 
Rick Milne
