

## **Notice of Virtual Project Open House** **Dayfoot Street Urbanization**

Please be advised that the Town of New Tecumseth is preparing to undertake the reconstruction and urbanization of Dayfoot Street and English Drive between Dayfoot St and Centre St in Beeton. Please refer to the location map on the back of this notice for the project limits.

The primary scope of work for this project consists of upsizing the underground infrastructure (i.e., watermain and sanitary sewers) along with urbanizing the road (new storm sewer, concrete curb and sidewalk, shared bike lanes, etc) in keeping with recommendations from various Town Studies such as the Beeton Master Servicing Plan, Development Charges Background Study, Water Distribution and Storage Master Plan and the Multi Modal Active Transportation Master Plan.

A Virtual Public Open House (VPOH) is being held to present the proposed works to the public for review and comment.

**Location:** Town website – [www.newtecumseth.ca/dayfoot](http://www.newtecumseth.ca/dayfoot)  
**Date:** Monday, February 28<sup>th</sup> to Monday, March 14<sup>th</sup>, 2022

To help the project team address any specific issues or considerations during the design phase, please find attached Questionnaire and VPOH Comment Form. Submission dates and information can be found on the comment form.
