Drop-In Swim Descriptions

Aqua Zumba 14 yrs+	Aqua Zumba is structured like a standard Zumba class. Aqua Zumba entails dancing to motivational music with unique dance moves and combinations—except it's in water. Low-impact, high-energy aquatic exercise! Free for Fitness Members. Register in advance for AquaZumba programs. Drop-in without registration may be available if space allows.
AquaFit 14 yrs+	AquaFit is water based fitness class aimed at enhancing muscle strength and cardiovascular health. Exercising in the water provides resistance, which helps tone muscles while minimizing the joint strain often associated with land-based workouts. Free for Fitness Members. Register in advance for AquaFit programs. Drop-in without registration may be available if space allows.
Family Swim Children up to 13 yrs	Family Swim offers an opportunity for parents or guardians (aged 14 and older) to enjoy quality time with their children in a safe and relaxed atmosphere. We encourage caregivers and their young children to take advantage of this quieter swim session. To maintain a safe and enjoyable environment, the supervision ratio for children ages 9 and under, who do not pass the facility swim test (swim tests are available to ages 6-9), is one parent/guardian per two children, or one parent/guardian per six children if they are wearing lifejackets. Registration is not required. Enjoy unlimited access with a Rotary Pool Pass.
Adaptive Swim All ages	Adaptive swim is designed for individuals with special needs. We invite all caregivers and individuals to try this quieter swim time. Caregivers are not charged admission.
Lane Swim 14 yrs+	During lane swimming, the deep end of the pool is divided into lanes so that determined swimmers can benefit from a structured environment and concentrate on their strokes. Registration is not required. Enjoy unlimited access with a Rotary Pool Pass.
Public Swim All ages	Public Swim is for people of all ages and abilities, whether you are an advanced swimmer or new to the aquatic world, to enjoy our pool. Registration is not required. Unlimited access with a Rotary Pool Pass. Enjoy unlimited access with a Rotary Pool Pass.
	The Town of New Tecumseth has an Aquatic Wheelchair onsite at the Alliston Rotary Pool. To reserve use of the chair please speak to a Lifeguard on duty upon arriving at the pool.

Purchase a Rotary Pool Pass in person at the New Tecumseth Recreation Centre, Tottenham Community & Fitness Centre or online at newtecumseth.ca/Recpass.
